

Twin Peaks PTSA

The TPMS PTSA (Parent Teacher Student Association) is a membership-based, volunteer organization dedicated to making each school year a rewarding and enriching experience for all students.

As a volunteer organization, PTSA is integral to the success of many campus events. We fund, organize and provide volunteers for a variety of PTSA programs and important school activities which serve to enhance your student's middle school experience.

Twin Peaks Foundation Donation

Why donate to the foundation?

Our goal is to bridge the gap between the amount of money actually provided by the State and PUSD and the amount necessary to fund technology upgrades, educational programs and resources necessary to support the school. In the past few years, we have provided outdoor learning spaces, water bottle refilling stations, new PE equipment, resurfaced running track, science lab tables, new turf and more!

Check out TwinPeaksFoundation.org for more information or to make an online donation through [PayPal](#). (Monthly donations can be set up here)
